

BARRIER FENCE

Oriented Oval Flat Mesh Barrier Fence

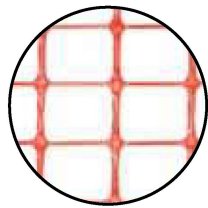

Better Barriers™ SL21 is a medium weight barrier fence. It has a flat laminar design, giving this product a more visible surface area.

Recommended applications:

- Construction warning barricade
- Sporting events
- Ski areas

SL 2148100 X	4' x 100'	Oriented Flat Mesh Barrier Fence	Orange	17 lb roll	70 per pallet
SL 2148100 BL	4' x 100'	Oriented Flat Mesh Barrier Fence	Blue	17 lb roll	70 per pallet

Square Mesh Barrier Fence

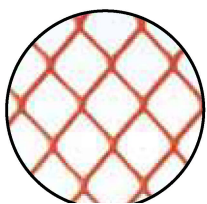

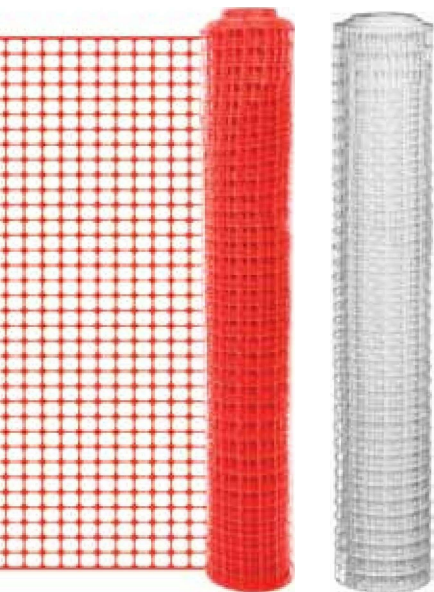

Better Barriers™ SLM has been engineered for high visibility and low wind drag. This allows posts to be placed further apart, saving installation time and money. With the vertical and horizontal strands, this product is easy to

install and will withstand the most severe weather conditions.

Recommended applications:

- Construction warning barrier
- Sporting events & ski areas
- Access roads
