5301PD Power Drive

5301PD38
Shown on 05305
Tripod which is
sold separately.

5301PD38COMP

✓ WHY REED?

Flat top of housing is ideal for placing tools. Power Drive includes long-lasting high speed steel (HSS) dies, not alloy dies. All steel oiler, not plastic, included with Complete Power Drives.

NEW 5301PD Power Drive

- Works for up to 2" pipe and conduit.
- Rotates the pipe for cutting, threading and reaming operations.
- Users mostly threading 1 1/2" - 2" pipe prefer 38 RPM models.
- Compatible for power roll grooving.
- Approved to the latest US and CSA Canadian standards!
- Majority of parts are interchangeable with competitor's power drives
- see reverse side!
