

Heavy Duty Bar Guards

Keeps out the big chunks.

- ◆ Provides maximum flow rates.
- ◆ Allows small trash to pass.
- ◆ An excellent choice in any situation where a low-profile, high-capacity intake is required.
- ◆ Constructed of 1/4" rod on 4" and 6", 5/16" rod on 8", 3/8" rod on 10", and 1/2" rod on 12" through 36".
- ◆ Available in durable black or yellow powder coat finish for years of service. Please specify color when ordering.

Size	Bar Diameter	Number Of Bars	Approx. Bar Spacing	Bar O.D. Below Ring	Bar Depth Below Ring	Over-all O.D.	Over-all Height
