H I D E[®]

Integrated, seamless covers that blend into your landscape.

The HIDE system incorporates your selected surface material into the lid, enabling it to blend into the landscape, creating a luxurious, uninterrupted outdoor space.

HIDE's extra large manhole Access Covers are designed to conceal large service points in your outdoor areas.

20" AND 26" ACCESS COVERS

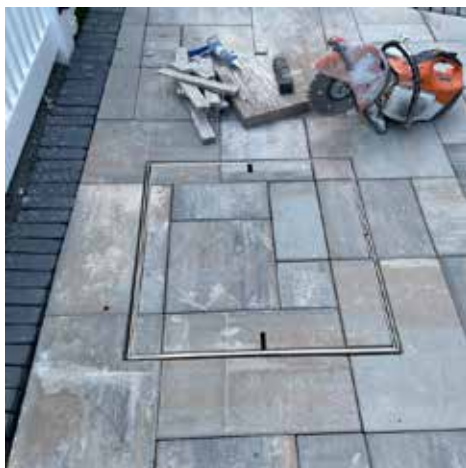

Manhole COVERS

Good design is obvious. Great design is invisible!
