# DM3MECH MECHANICAL HOT TAPPING MACHINE

#08350

With Reed Mechanical Hot Tapping Machines, tap a new line into copper, steel or plastic pipe for up to 4" valves while under pressure—up to 300 psi for hot or cold water, 125 psi for steam. Both DM3MECH and DM3MECHB come with a plastic, compartmental toolbox. They require a 1/2" drill motor, valves and fittings that are each sold separately.
